Electronic Collections

2011 pricing for Duke University Press electronic collections and single journal titles is now available at the newly redesigned Library Resource Center at dukepress.edu/library.

Now Supporting Shibboleth

Duke University Press online journals can now be accessed using Shibboleth, which supports access management federations in the United Kingdom, France, and Germany.

Library Conferences

Duke University Press is pleased to exhibit at the following library meetings:

- IFLA World Library and Information Congress
- Charleston Library Conference
- American Library Association Midwinter
- Association of College and Research Libraries
- North American Serials Interest Group
- United Kingdom Serials Group

New Consortium Partnerships

- Carolina Consortium
- Japan Open Consortium
- South African National Library and information Consortium (SANLiC)

Please visit the new Library Resource Center on the Duke University Press Web site to learn more.
